Notes

1. Search for classroom - lets users select from a dropdown menu of the different buildings on campus, once they have selected a building the room number combo box will fill with the rooms in that selected building. Users will also have the option to search by Full Sail department. Users will have to choose one of the two options to search.

2. Image slideshow showing images of the main areas on campus; Full Sail Studios/Full Sail Live signs, FS3B common area and FS21entrance.

3. Application details -
